Your Neighbors Your Government

LETTER FROM SUPERVISOR MICHAEL A. CORRIGAN

Welcome to the Fall and Winter edition of the Proviso Township newsletter 2023. As we wrap up a fun-filled Spring and Summer filled with exciting events, we gear up for more informative programs and services and many enjoyable activities.

Triton College has a Tax Counseling for the Elderly program, it will assist low-income senior citizens with their income tax returns at Proviso Township on Wednesdays and Thursdays starting February 2024. For more information and to schedule an appointment, please call Triton College, at 708-456-0300 X3895, after January 29th, 2024.

In addition, we partnered with PLCCA to help with CEDA's energy programs in February 2024. You may qualify to receive financial assistance for your electric and gas bills. To schedule an appointment, for eligibility and additional information, you can begin to call us after January 8th, 2024, at 708-449-4307.

No walk-ins are accepted for both of these programs, therefore, please make sure to schedule your appointment.

The holiday season will be here soon. When the weather turns cold and getting around gets more challenging, please check in on your senior neighbors and friends. The smallest gesture can make a world of difference.

We are YOUR Township, and we all do better when we look out for one another. Please feel free to let us know how we are doing. We are your neighbors and your government.

I wish you peace, joy, and a safe holiday season!

Sincerely,

Fall/Winter | 2023-24

S.A.F.E. SENIOR PROGRAM Presentations by Officer Rob Verber, Elderly Service Officer

HOME AND PERSONAL SAFETY PRESENTATION: MONDAY, MARCH 18TH, 2024 11:15 AM

This prevention program is based upon the neighborhood watch concept of empowering participants with the opportunity to work together in crime prevention, local Homeland Security, and to "Look Out For Each Other!". Anyone who lives in an apartment, condominium complex, townhouse, or a single-family home should attend. **Lemon Chicken with House Salad & Vesuvio Potatoes**

SCAMS, CONS & FRAUD: TUESDAY, MARCH 19TH, 2024 11:15 AM

As people grow older, their chances of being victims of crime increase dramatically. Unfortunately, having physical problems associated with aging often make older Americans more vulnerable. Although they're on the lookout constantly for physical attack and burglary, they're not as alert to frauds and con-games, which, in reality is the greatest threat to seniors' well-being and trust. **Giordano's pizza**
