Supervisor's Report

2023

TOWNSHIP OF PROVISO
4565 Harrison Street
Hillside, IL 60162
708.449.4300

I am pleased to present my Supervisor's Report for 2023 which outlines all the services the township provides and the utilization by the residents broken down by department and by the 14 villages that make up Proviso Township.

We have made great strides in improving the quality and efficiency of the many services we deliver to seniors and the youth. You will see as you page through this report that we are serving thousands of people throughout the year. Many of those people are utilizing multiple services that we provide.

I am proud of the number of residences we are able to serve with the resources we have in which to provide those services. Our staff takes great pride in going above and beyond in helping people in any way possible. Whether that is with a service we provide or a referral to an agency that is better suited to help their cause.

Please take a moment to go through this report and I welcome any comments or questions that you may have.

Thank you.

**Michael A. Corrigan
